## PERFECT PAIRINGS!

### ARNOT-ROBERTS Wines

"The focus of Arnot-Roberts is to produce distinctive, site-driven wines that highlight the nature of the unique terroirs in which the grapes are grown. Single-vineyard wines are the core of the production as well as a few appellation bottlings that clearly speak of their individual upbringings. Some of the vineyards are old and dry-farmed, some are newer plantings but all are farmed and cared for by passionate and conscientious growers, which is paramount to the fundamental goal of Arnot-Roberts: producing the most honest and expressive wines possible."

### ARNOT-ROBERTS Rosé

750 ml

Quickly becoming the flagship Rose at Piazza's, this California blend of classic Spanish and Portuguese varietals pulls its weight and then some. Super lively and bursting with strawberry and melon, it beckons for sunshine and meals with friends, and beachside aperitifs.

### ARNOT-ROBERTS Syrah

750 ml

This cuvée exemplifies cold-climate Syrah grown on the rugged Sonoma Coast and is a blend of 4 premier sites. The long slow growing season near the edge of the continent provides complete ripeness at low sugar levels, resulting in a wine of deep color that has intense fruit character loaded with an undercurrent of earth and spice.
