## About Our Turkeys

We provide only Diestel natural turkeys for our Thanksgiving dinner package and fully cooked turkeys a la carte.

### WHY DO WE USE DIESTEL NATURAL TURKEYS?

Diestel turkeys enjoy the freedom of being range grown in the clean Sierra Foothills with individual care where they are raised longer (approximately 6 months) to develop flavor naturally – real flavor from real time. Diestel turkeys are fed a wholesome low fat vegetarian diet of quality grains and soybeans milled on the ranch – free of growth stimulants and hormones.

## What Size Turkey Do I Need?

We recommend one pound of turkey per person, however most families enjoy leftovers. Therefore, we suggest the following quantities:

**10-12 LBS - SERVES UP TO 8 PEOPLE**  
**12-14 LBS - SERVES 8-10 PEOPLE**  
**14-16 LBS - SERVES 10-12 PEOPLE**  
**16-18 LBS - SERVES 12-14 PEOPLE**

## Butter Rub

**Piazza's OWN**

To aid in the browning of your fully cooked Diestel natural turkey, we provide a wonderful butter-based rub made with:

Unsalted Butter, Kosher Salt, Garlic Powder, Paprika and Thyme

Just spread the provided rub over your turkey and bake in a preheated 325 degree oven for approximately 1 1/2 to 2 hours, or an internal temperature of 165 degrees.
